

**General PTO Meeting  
December 1, 2014**

**Attendees:** see attached sheet

**Welcome - Fran**

**Principals report - Ms. Roe**

Had a 5th grade teacher resign, due to husband getting a job out of state, but we have hired a new teacher Kristy Guin who will start in the new year. We currently have a sub for that class for the remaining 3 weeks before break. Innovative spaces – Ms. Herman, Ms. Kranse, and Ms. Row will be going throughout the district to see schools who have gone the innovative space route. They hope to have some pics for us at the next meeting. Thank you PTO for purchasing the teacher gift cards for Christmas, district budget no longer allows gift card purchases, so PTO has stepped up to get them for our teachers.

**New business**

\$2,000 was just paid out in November for Boosterthon fun run in May. It will be weeklong character building event leading up to the actual run. More info coming out soon.

Spirit wear - board discussed that our current spirit wear company is expensive and we are not seeing many kids wearing them. We are looking into doing them ourselves and just doing a preorder of items. Looking for bids with different local vendors to see what costs would be.

Stickers for cars - we are looking into buying them and will sell for about \$5 each. Looking at difference between stickers and clings. Stickers stay on even thru a carwash, clings do not unless they are mounted on the inside of the window.

Donuts with dads is coming up, they need volunteers **Jan 23rd** in the morning before school. Email Fran for details.

Holiday shop is going on right now. Need more volunteers we have 50ish slots but only 17 filled. We received a thank you message from a parent about how great the service was. 4th grade was able to incorporate their PBL project into it.

Baxter scavenger hunt on the PTO website is still in effect until the 12th. Only about 30 people have entered but each have up to 12 entries in the raffle. It's for a \$25 gift card to Target. Scavenger hunt can be done on your phone.
