

**PTO General Meeting  
March 2, 2015**

**Attendees** : see attached

**Principals Report - Kelli Roe**

Interviewing tomorrow for second grade EA support as several 2<sup>nd</sup> graders have enrolled. Depending on applicants would like to hire 1 per class.

791 students have been projected for next year that is about 50 less than what we have currently so we will probably lose 2 teachers.

District has been discussing long range planning and we have huge need for more schools but there is no money. There is a current need of \$200 million just for maintenance on all our schools. They might be able to add a few more bonds which won't cost more tax money since several current bonds are expiring. Looking for \$500 million bond.

Celebrated apple awards. Mr. Provo and Kanoi won

In previous years we made money with full day kindie tuition, which paid for kindie EA's in every class, but we can no longer profit from full day kindie. Tuition has gone from \$3,750 to \$3,100.

**Secretary Report - Marina McFarren**

**Motion to approve Feb meeting minutes**

**1st Molly O'Reily**

**2nd Jen Batta**

**All in Favor**

**Treasury Report - Lisa Beerbower**

All activity thru Feb has ending balance \$46,105.60

**Motion to approve balance by Lisa**

**1st Lisa Riepe**

**2nd Erika Milligan**

**All in favor**

**New Business**

Teacher grants is tabled for the next meeting due to board not getting to them will present them next month.

Next meeting will be April 13th since first Monday is first day back from spring break.

Dad's survey had a good response, they are willing to help with pick up and drop off lines, monitoring the hallways and entrances. Going to reach out to the 2 dads willing to chair the committee to see if they can get one event going before the end of the year to get the ball rolling for next year.

Aspen View already has parent volunteers that help with morning and afternoon drop offs and pick up. Would like feedback if our parents will be willing to volunteer and help with our crosswalks.

Board nominations are open this evening the form will be available in office tomorrow night and online tonight. Have all positions open.

Power of three drawing for February: Ann Heft

Tri the Rock - we are the winners from last year, the trophy is in the office and we want to keep it. We had 39 kids signed up last year need at least that to keep the trophy.

Bingo night is in planning will be April 17th  
Next hospitality event is Muffins with Mom, will be in May, more info coming

Past several years we have had a spring fling but this year we decided against it since we are having our fun run (week long) some kids are bummed about no fling, should we do an end of year celebration? Yes, to possible bouncy houses make it more of an end of year celebration than a Spring Fling.

Fun run- May 11th is student pep rally to get kids excited

May 12th-19th staff from Boosterthon will be on campus everyday, they will be doing character building with the kids centering around different themes daily.

The actual fun run is May 20<sup>th</sup>, will send info out, we would like parents there to cheer them on.

This is a fundraiser, our goal is if we make enough with the run we will no longer do catalog sales in the fall.

Parking spots- we have 6 spots that we auction off every year, without the spring fling we don't have a time to auction them. These spots have gone for up to \$500 a piece, will probably set a minimum bid of \$200. Thinking of making an online auction to make it month long.

Staff appreciation: have Sign Up Genius in the works, should be out in the next week or so. It is the first week of May.

Bumper stickers and spirit wear will be coming in the new year.

Book fair starts next Friday. Theme is under the sea please try to come and volunteer during your child's time for book fair. Would like at least 2 parents per class/time. Sign up genius is out. Book fair runs thru conferences so fair will be open 8-8 on conference day, good opportunity for high school students that need volunteer hours.

Box tops deadline is the 13th k-4 gets pj/movie day 5th-6<sup>th</sup> grades electronics day.

Next meeting April 13th in the Bistro

adjourned 7:15

Attendees:

Danijela Johns

Lisa Riepe

Dana Parrish

Carol Watson

Melissa Adams

Jen Batta

Molly O'Reilly

Sheila Townsend

Andrea Brooks
